

Aqui Esta Drive Improvements Punta Gorda, Florida

Project Title: Aqui Esta Drive Improvements Project
Project Number: 412642-2-58-01
Customer: Charlotte County Public Works
Dollar Amount: \$6,872,377.00
Percent Complete: 100%
Completion: February, 2011
Role: Prime Contractor

Project Scope:

This project involved the total removal and replacement of an 85 ft long two-lane vehicular bridge over the Venice Canal in Punta Gorda, Florida. Work consisted of complete demolition, new pre-stressed concrete piling, cast in place intermediate and end bent pile caps, mechanically stabilized earth wall approaches and pre-stressed precast concrete bridge deck panels with an asphalt overlay finish. Work was self performed by Quality Enterprises USA, Inc.
